A: We try to make the process as simple as possible. We need the following information:

- Name & Address of the Library (Shipping & Billing addresses if they are different).
- The items and quantities that you wish to purchase.
- The method of payment that you prefer. The majority of our customers are billed upon shipment and then have 30 days to send in a check. If you prefer, we can also accept Credit Card payments...we usually take this information over the phone to minimize any privacy concerns.
